The student body developed a great spirit and pride in themselves and in Euclid.

Faculty and students combined to keep the school life in motion.

Hail to thee, O Euclid High School
 To thy name all praise we sing.
 Happy days of youthful pleasure,
 Learning, living, life so dear.
 Our hearts fill with gratitude
 For all that is to be
 All our praise we bring to thee.

Where the blue of Erie's waters
 Casts the sun's bright golden rays,
 There all Euclid's sons and daughters
 Sing the joys of student days.
 If after days be dark and drear
 And storms of life draw nigh,
 The memories of our friendships here
 Will lift our hearts to Euclid High.

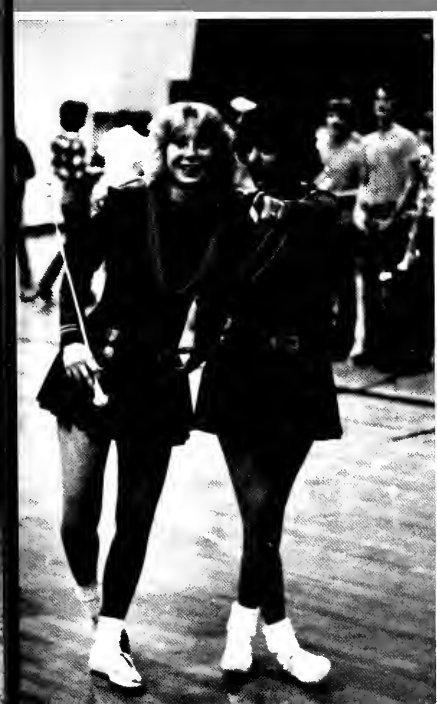

Working individually and together, they strove to their best in their own field.

The motion carried the students through activities and the lasting memories at Euclid High.

Best season in 9 years

Jubilation from Greg Barnauskas (34) and A1 Peklay (63) after Peklay recovered a Brush punt in the end zone.

The Varsity football team finished the year with a GCC record of 5-2 and an overall record of 7-3. This is the most successful football season since 1970.

The squad had the usual GCC season, opening with a large victory over Cleveland-South but losing to neighborhood rival St. Joseph.

Euclid returned to the gridiron, shutting-out both Lincoln-West and Maple Heights.

The skies opened on Homecoming Friday, washing away Euclid's offense and allowing Willoughby South to slide to a victory.

Once again the Panthers came back, stomping Bedford and Brush by 20 point margins on the way.

Mayfield's Wildcats took the game to the wire before admitting defeat.

The Eastlake North team stole the win from Euclid and also the GCC crown.

Ending the season on a victorious note after beating Mentor, the Panthers hope to carry the feeling into next year's season.

J.V.'s battle to 3-3-1

The JV football team found the going tough in the GCC race this year, ending their season with a 3-3-1 record, 4-5-1 overall.

Like the Varsity, the squad had an impressive first victory but lost to their next two opponents, St. Joes and St. Ignatius.

The team came back the following week and beat Maple Heights by a good margin but again dropped their next games.

The highlight of the season was the battling of the Panthers and Brush, which ended in a 0-0 tie.

Coach Hartman is hopeful in next season's outlook that this year's experience will help.

Booters finish 8-5-1

Varsity Soccer got off to a slow start, but finished strongly, winning 4 of the last 5 matches. The team ended with an overall record of 8-5-1.

Some outstanding players that contributed to the team's success were Seniors Bob Simicak, who made 1st team All Conference 2 years in a row, Co-captain Jeff Freedman, who made 2nd team All Conference, Jim Paprizous, voted Most Valuable Player, and Zdenko Novkovic.

JV's finish 2nd in league

The JV Soccer team finished the season with a fine 4-2-3 record, which gave them a 2nd place in the league.

The team had a rough start, but experience and practice paid off as the team claimed 3 straight victories of the last 4 outings.

The toughest team for the Panthers was the Brush team, which battled to a split decision, each team winning once.

Seniors pace X - country

This year's Panther harriers had a fine season as they finished second in the GCC with a 7 - 2 record. This was exceptional considering a few members lost almost the entire season due to illness or injury.

Seniors that have ended their cross - country running here include Co - captains Bill Dodd and Steve Jones, also, Paul Calabrese, Jerry Davies, Art Buanno, T.J. Theodore, Mike Voase, Joe Mersnik, Mark Walters, and Kurt Mews.

Two individuals made it down to the State Meet. They were Junior Steve Fleck and Senior Paul Calabrese, who finished 33rd and 36th with respective times of 13:09 and 13:11.

Outstanding Juniors: Steve Fleck, Chuck Petraska, Rob Schafer, and Stan Matras will return next year along with an impressive group of sophomores to make Euclid a strong contender once again.

Two run to state

One sport to which much attention should be given is cross-country. The girls on this team were hard workers having to be because of the strenuous training program. The girls ran five to eight miles in a typical workout. Sophomores, Juniors, and Seniors ran together, which made a more competitive spirit.

Some of the regular leaders of the team were Ellen Buck, who placed 14th in the State Meet, and Jeanine Swoboda, who took 21st at State.

The determined team finished their season with an impressive record of 30 in dual meets. They also finished second in the Kenston Invitational, and third in both the Willoughby South Invitational and the Highland Sectionals. The cross-country team should be proud of their outstanding record.

Tough season for netters

The girls' tennis team got off to a rough start on the season but finished strongly by winning the last three of their matches. The team finished with a record of 5-7.

The girls were led by Junior Beth Hook, voted Most Valuable Player, and Judy Mast, voted Most Improved Player by their teammates. Other strong players were Sue Meglich, Judy Krnc, Linda Lewin, and Denise McGill.

Coach Marilyn Bowker feels hopeful in next year's team in that eleven of fifteen girls will be returning. She also believes that this year's tough schedule will have better prepared the team for next year's matches.

Volleyball finishes 7th

The girls' volleyball team under head coach Pat Buck and captains Karen Busdiecker (Buzz) and Micki Bolocanoff (Bolo) displayed a great amount of skill this season, although they finished seventh in their league. They played with much force and determination, which was exemplified in their second showing against Mentor. Mentor, the first place team at that time, was beaten by a psyched and determined Euclid team in the last game.

A trying season

The Boys' Varsity Basketball team started the season strongly, winning eight of their first ten games, but, as injury and sickness slowed them down, the team lost their 1st place standing with a half season mark of 3-7 to finish at 11-11 overall.

Co-captain Bill Zalar, who led the team in assists, paced the team, keeping the game at a quick tempo. Co-captain and team high scorer Jeff Koozer teamed up with leading rebounder Clay Young to control the boards, averaging 18 points per game.

Injuries and illness plagued the team, but Tony Brentar filled in the places well.

Coach "Doc" Daugherty enjoyed coaching the team and felt his team played as well as it could, in the tough GCC league, with the numerous injuries.

JV's 8-6 in GCC

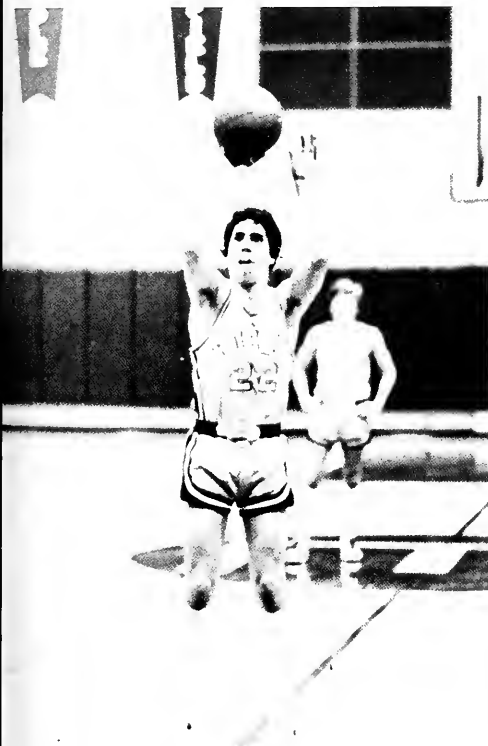

The JV basketball team ended its season on the plus side of .500 with a 10-10 overall record and an 8-6 mark within the GCC, good for third place behind Eastlake North and Mayfield. The team's leading scorer was Mark Miklos, who averaged 12.9 points per game. Doug Grosel was the team's leading rebounder. The team showed its scoring potential in 70-point outbursts against Maple Heights, South, and Bedford, with its 72-34 trouncing of Maple Heights standing out as the highlight of the season.

Girls suffer a disastrous season

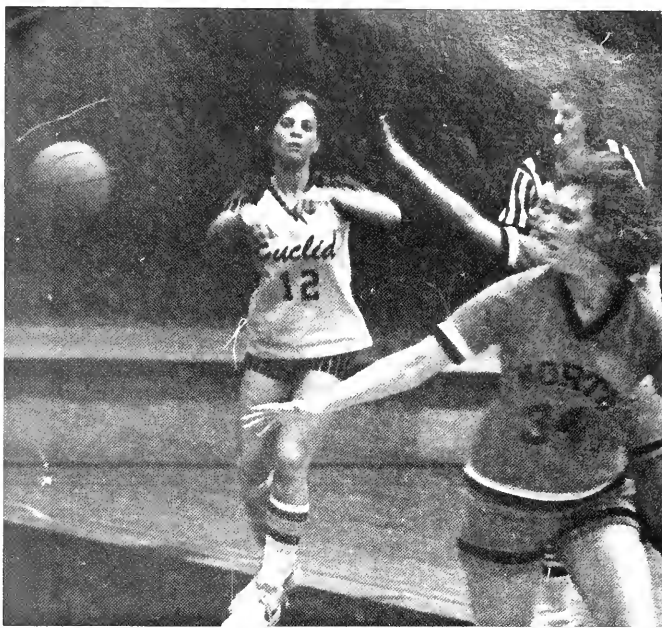

The inexperienced girls' Varsity Basketball team had a disappointing season. Co-captain Sherri Garapic was the floor leader, with captain Terri Mackanos shooting a 16-point average per game.

The Mayfield game was an especially hard-fought match; however, an after the buzzer shot by Terri Mackanos gave Euclid the win.

Coach Jim Englehart is hopeful that the experience gained by this year's juniors and sophomore players will help next year's squad to better the team's record of 5-13.

JV's success leads to .500 season

The girls' J.V. basketball team, under Coach Dan Maxson, jumped to an early lead of the GCC race with an impressive 5-0 league record, but when three starters went to the Varsity and two other players were out of play due to injuries the season took a turn.

Although the team slipped to 3rd place with a 10-8 record, Coach Maxson is proud of his team's ability to play well together as a unit, and their aggressiveness. Everyone got to play, which helped when the lineup was reduced to one starter. Coach Maxson is also proud because Euclid is the only team that has beaten North in over a year's time.

Myca Abraham led the team in rebounding with an average of 12 per game. Lucy La Valley led the team in scoring, during the first part of the season before she was promoted to Varsity, averaging 15 points per game, but it took a total team effort to beat Maple Hts. It was this team effort that lead the girls through their season.

Hockey team wins division

The hockey team had an outstanding season, capturing the first Cleveland High School Central Division Championship in the school's history. The team, with its 14 - 3 - 1 overall record, became the best hockey team Euclid has ever had.

The team's only losses were all lost in overtime with the Lakewood game going into triple-overtime.

Coach Richard Homovec stated that the team's success was due to team contribution but gave special mention to defenseman Dave Nichting, team captain, and Mike Burke, wings - Rick Smelko and Ken Schulz, center Jim Banaszek, and goalie Tom Bell.

Tankers win GCC

This year's swim team brought Coach Joe Rodriguez his 100th win in his nine years of coaching at Euclid, and the 5th consecutive GCC conference championship with a record of 4 - 0, 8 - 4 overall.

Eric Zebold led the swimmers with his strong, dependable swimming. Eric holds one school record and 3 GCC records, while Senior John Powell led the divers.

The young team will return 16 swimmers next year, losing only five seniors to graduation, to try to continue the outstanding team record.

Just one victory

The first big event of the year was the Homecoming Dance held October 6 in the E-Room of Euclid High. The weekend began with the Homecoming Parade in which the Investment Club won first place for its float. A bonfire and pep rally followed the parade. Friday brought plenty of rain and the football game against Willoughby South. On Saturday night the couples enjoyed dancing to the music of Teaser in the E-Room.

Euclid Panther Marching Band

The Euclid Panther Marching Band entertained fans this year with their many half-time medleys. Among the songs performed were Come Sail Away, The Main Event, and MacArthur Park. The band's annual dance was choreographed by Linda Francetic and Judy Hasse. President Steve Kurrent and Vice President Linda Francetic each conducted during the season. Thanks to Director Arthur Sydow, Assistant Director Greg Kochan, Majorette Advisor Madeline Bradach, and Announcer Sue Paul. It was a memorable season.

Majorettes provide power of gold

The majorettes, who practiced three nights a week during the summer and every night after school, provided entertainment during half - time at the football games. They performed to "Power of Gold" at the first game of the season, to "I'm a Soul Man" at the St. Joe's game, and to "Come Sail Away". To raise money, they had one garage sale and car washes a couple times a month.

Activities for profit

The Ad Club is composed of a group of dedicated girls who sell the tickets to our athletic events here at Euclid. They carouse through our stands selling programs at football games. Because of their work and dedication, they get into the games free. Due to their work, the Athletic Department is able to meet their financial needs during the year.

The Investment Club meets during their Government Economic class. As part of this class, students have an opportunity to purchase shares of stock. Each student must purchase at least one share to belong to the club. This year the club purchased shares of Ranger Oil. The President is Pete Troha, the Secretary/Treasurer is Shirley Jue, and the Finance Director is Don Knific. The Investment Club won first place this year for their Homecoming float.

“WH₂O . . . making waves”

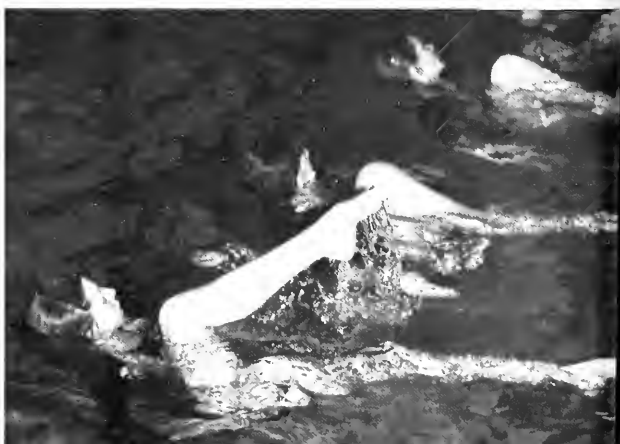

Wai Napolo's annual swim show, presented on January 31, February 1, and 2, was entitled *WH₂O . . . Making Waves*. The girls put in countless hours of practice to perfect the show. The Opening and Finale were directed by student directors Nancy French and Diane Andrews. This year's solo, to the tune of "Annie's Song", was performed beautifully by Anne Shilander. Other highlights were the number with the three-year senior members of the club wearing lights on their suits, the underwater number, the eight-man chain dolphin, and the octet number. Thanks to Pete Troha - the disc jockey, Mrs. Therese Galicki, and Miss Judy Carmody, the show was a success.

Euclid's top voices

The choirs, directed by Mr. Ronald Morgan, have brought musical enjoyment to students and people outside the school. The Varsity Chorale is a group of musically attuned students who practice as an extra-curricular group. They perform both in and out of school, earning money for their trip to Disney World. The Choral Masters, composed of juniors and seniors, repeated a Channel 43 appearance this year at Christmas time and have appeared at Euclid Square Mall. These two groups and the Sophomore Choir perform at two concerts for parents and other viewers. The Sophomore Choirs meet everyday 3rd and 5th period. They performed at the Winter Choral Concert, which was dedicated to the memory of Sam W. Taylor, and will perform at the Spring Concert.

Our Town

The Fall Play, *Our Town*, was presented on November 15, 16, and 17. The story takes place in Grovers Corners, New Hampshire. Emily Webb, played by Julie Nagode, eventually marries George Gibbs, played by Jim Cater. Emily eventually dies and joins the others in the graveyard. When George comes to visit, Emily only looks on sadly. Wishing to re-live one day of her life, Emily is brought back to her twelfth birthday. She is disappointed as she realizes that life just goes too fast and people never realize how wonderful each moment is. Other main characters included Bill Musick, Kelly Clevenger, and Karen Johnson.

Bill Musick, Stage Manager, adds his comments at the end of the scene.

Jim Cater, George Gibbs, talks to Julie Nagode, Emily Webb, as Karen Johnson, Mrs. Webb, supervises.

Student Council heads school and community activities

The Student Council is an organization that provides for student participation in student affairs. They organize Winter Festival, Homecoming, and the Battle of the Classes. This year they sent Thanksgiving baskets and had a Christmas party for a nursing home. There is a banquet at the end of the year to culminate the year's activities.

Water Polo finished 5th in state

The Water Polo club, sponsored by Joe Rodriguez, ended its season ranked fifth in the state. On the way to this impressive finish, the boys, led by co-captains Mark Carney and Greg Pyle, compiled an overall record of 8 - 7. Most of the losses were at the hands of Berea, who finally fell victim to the Panthers for the first time ever at the State Tournament, during their last game. For their fine season performances, Greg Pyle and Eric Zebold were nominated for the All-State Water Polo team.

Euclid's best publication

The Euclidian Staff is a group of dedicated students who work very hard to produce a good yearbook. Many people help with the selling of advertising and of books. In order to meet deadlines that don't always come at the best times, they get up early during vacations and come into school and stay late after school. After it is all over, they relax and wait for the final result.

Survey - the second best publication

All year long, the *Euclidian* and *Survey* staffs enjoy a friendly rivalry as the two chief publications at the high school. The *Survey*, the magazine-format newspaper, is published six times a year. The high school journalists write articles ranging from school events, to sports, movie reviews, present trends, polls, and feature stories.

Super Stenos

The Vocational Stenography program offers students the chance to perfect the many skills needed to be an efficient office worker. The emphasis is on shorthand, but the students also learn how to run various office machines. Besides the typing and shorthand, students learn office procedures, business English, business math, and filing.

School Board and Superintendent

The 1979-1980 school year began on an uncertain note, with the possibility of a teachers' strike. Fortunately, the issues were resolved, and the year began as scheduled.

There were many new rules that were instituted to correct such problems as class cutting and unexcused absences. Superintendent Husarik compared going to school every day with having a full-time job. To obtain beneficial results, a great deal of time and effort must be expended. Just as there are certain rules to which one must adhere in the world of business, there are specific guidelines for students. Thus, adhering to school attendance rules and regulations prepares the student for the regulations that are part of every aspect of life.

Another important event occurred in November, 1979 - the election. Voters in Euclid approved the renewal of the five-year, one-half mill rehabilitation levy for the maintenance and repair of school buildings.

This was also an election year for two of the five members of the Euclid School Board. The results of the election found Mrs. Nurmi re-elected and former EHS principal Walter Schwegler elected to the seat vacated by Dr. Houser, who decided not to become a candidate.

Administration

Over the past year, the administrative staff modified several jobs and the responsibilities attached to those jobs. Mr. Troglia, who was formerly a dean, became the Assistant Principal. Leaving his job as the English department chairman, Mr. McGuinness is now the Sophomore Unit Principal. Mr. Addis has assumed the role of system-wide Athletic Director. Mrs. Davis is the newest member of the counseling staff and is of great help to the many sophomore students under her guidance.

Important people

Certain EHS staff members may not be seen as often as teachers, but their respective jobs are equally important. Our important people include the secretaries; Mrs. Woods and Mrs. Fellman, who work in the Clinic; Mr. Banford, the Media Technician; Mr. Lobdel, Chief of Security; and Mrs. Barry, the Treasurer.

Secretaries

This year Mrs. Stern left EHS to work at the Fordyce Building and was replaced by Mrs. Davies. Today's secretaries do much more than type letters, although basic skills are still necessary. Keeping student records current and handling student absences are two of the many jobs done by those working in the three Unit offices. Seniors depend on Mrs. Paul to send their high school transcripts to certain colleges or universities. Those women really deserve special thanks!

Clinic

The Clinic is more than simply a place to go when hurt or ill. Its files also contain the complete medical history of every student. Included in these files is information concerning the required childhood vaccinations for such diseases as measles or diptheria.

Media and Security

Media Technician, Mr. Kurt Banford, pictured on the far left, is responsible for all the Audio - Visual aids.

Chief of Security Mr. Warren Lobdel, who is seen to the near left, enforces rules concerning students who drive to school. He also prevents speeding.

Treasurer

Mrs. Barry, who is pictured to the left, is the high school's Treasurer. One of her jobs this past year was the handling of the new fee card system. This year, students could either pay Mrs. Barry or pay each teacher individually. Another of her jobs is the budget, which must be approved by the Euclid School Board. The Treasurer also oversees the biweekly distribution of faculty pay checks.

Paraprofessionals

Paraprofessionals differ from teachers in the sense that teachers follow a predetermined curriculum. Paraprofessionals, however, do not teach regular classes, but perform such necessary functions as keeping unauthorized students from wandering around the school, deterring abuse of school property, and supervising study hall periods in the E-room. It is also the job of paraprofessionals to watch over students who come to the E-room during lunch periods, to ensure adherence to rules regarding the new pool tables, the jukebox, and the television. Another place paraprofessionals are found is in the cafeteria, where they admit students, prevent roughhousing, and, along with other faculty members, keep things running smoothly.

Cafeteria

Few students realize the enormous amount of planning that goes into each meal served in the cafeteria. Each dinner is, of course, nutritionally balanced. Students have a wide variety of foods to choose from including salads, cold sandwiches, various desserts, and of course hot meals. Mrs. Zimmerman and Mrs. Wirsing are the cafeteria supervisors. There are thirty cafeteria workers. Absent when pictures were taken were Marge Payne and Mae Kolesar.

Physical Education

Due to Mr. Addis' promotion to the newly created administrative post of Athletic Director, Mrs. Carter is the new chairman of the Physical Education Department. One of Mrs. Carter's first duties was to help make the school year an enjoyable one for the two newest teachers; Mrs. Galicki and Mr. Schwenke.

The 1979-1980 curriculum has been expanded with the addition of a Drug and Alcohol Awareness workshop, where students obtain information on the short and long term effects of the use of drugs and alcoholic beverages. A new exercise trail, which is now a part of the nearby park, has been constructed to allow the students the chance to work out while jogging. New equipment has been purchased for volleyball, archery, and table tennis, to replace apparatus that was worn out or broken.

Music

The faculty of the Music Department develops a student's vocal or instrumental talents. Those who participate in any of the offered courses see and hear the results of their numerous hours of rehearsal. Mr. Hutson, pictured to the right, is able to play many instruments, including the violin, the cello, and the piano. Choral director Ron Morgan chooses the music for the three choirs. Shown below: Mr. Morgan and Varsity Chorale member Jim Cater work on a new choreographic routine. Band director Mr. Sydow, shown at the lower right, leads all of the various instrumental groups.

In memory of Sam W. Taylor

Sam W. Taylor, who was choral director here at EHS from 1955 until he retired in 1978, died this past September. Mr. Taylor, affectionately nicknamed Mr. T, directed the three choirs and also helped with the annual Big Show productions. Because of his dedication to music and his students, Mr. Taylor sponsored many trips to various U.S. cities. Varsity Chorale members were given a once in a lifetime chance to sing in Europe. He began several traditions which have become part of the choral curriculum. The last song performed at every Christmas concert was "The Lord Bless You and Keep You." He wanted to stay in touch with former students and always invited EHS graduates to join the choir for the traditional finale. After he retired, the future of the Varsity Choral was uncertain at best. It was not even definite whether or not there would continue to be a Varsity Chorale. Because of the support of parents and the students, V.C. could once again perform its unique blend of music and choreography. Those of us who knew Sam Taylor will always remember his ear to ear grin, his warm personality, and the fond memories which he has given to everyone who knew him.

Mr. Taylor,

The Lord bless you
and keep you,

The Lord lift His
countenance upon you;
and give you peace,

The Lord make His
face to shine upon you,
and be gracious unto you.

Amen.

Mathematics

The eleven member faculty of the Mathematics Department teach everything from a review of fundamental mathematical concepts to the complicated theories of calculus. The Department's curriculum also includes various computer-oriented courses, such as Computer Science and Computer Math.

For the majority of students, the freshman year signals the beginning of a succession of courses which will last throughout their high school careers, often serving as a background for college math. In the ninth grade, many freshmen take Algebra I, and as sophomores enroll in geometry, which develops concepts necessary in Algebra II, taken during the junior year. In turn, Algebra II serves as a foundation for senior Math Analysis, a course which introduces students to mathematical concepts needed for success with computers and calculus. This sequence of class choices typifies mathematical principles, which always follow an established procedure.

Business

The Business Department, which lost five members of its staff over the summer, added three new teachers this year, and has a new department chairman. One of the new teachers is Miss Nancy Rutkowski, who is starting her teaching career at Euclid High School. Mrs. Patricia Fine, who formerly taught at Shore Junior High, is also beginning her first year at EHS. Miss Gretchen Dean has been added to the staff to take the place of Mrs. Maureen Huefner, who left teaching to raise a family. Miss Janice Ivansek is the new department chairman, replacing Mr. Joseph Regano, who is now the Board of Education's Supervisor of Transportation.

Miss Ivansek presides over a department which offers a number of business classes, ranging from single period general courses, such as bookkeeping, to two year, multiperiod vocational courses, such as the Clerk-Typist program. Vocational business students are participants in the Office Education Association, which sponsors many state-wide business skill tests each year.

Science

Like mathematics, students launch into their high school science careers in the ninth grade, where they are introduced to the basic concepts of biology, chemistry, and physics in General Science. As sophomores, those wishing to pursue the study of science take biology, which emphasizes physical properties. Chemistry, emphasizing chemical properties, is taken by juniors. The last step of the science major, physics, is taken by seniors. To aid students wishing to pursue their interest in science, the department added Mr. William Gooding this year to teach biology.

Library

Our library's 30,000 volumes compose one of the most complete collections of literary works, says librarian Mrs. Kathleen Marsh. In addition to books, there are nearly 150 different magazines, including everything from *Newsweek* to *The Rolling Stone*.

Also, the library has returned to a silent study atmosphere, which is more conducive to studying. Another new program is the showing of films Wednesdays and Thursdays during study halls.

And to increase its storage capacity, the library is beginning to use microfiche, which is a process where magazines are photographed. The photos are reduced in size, leaving an entire issue on a small index-sized card.

This year, Mrs. Mary Ellen McKee replaced Mrs. Reider, who now works at Shore.

Euclid High students often use the library as an alternative location for a study hall.

Social Studies

Many programs are affiliated with the Social Studies Department. The Washington Seminar or Close Up program gave students an opportunity to meet with White House officials, lobbyists, and other important figures. Buckeye Boys' and Girls' State were week long opportunities for students, who were nominated by the Social Studies faculty, to participate in a simulated government. The Department sponsored field trips to the Art Museum and Justice Center, as well as various places here in Euclid. Students who took Death and Dying visited a funeral home, crematorium, cemetery, and mausoleum.

Social Studies is more than memorizing people, places, and occurrences of the past. Students are concerned with current events, too. Political Affairs students, for example, were required to participate in some aspect of a real political campaign. Three of Mr. David Schonauer's classes took polls on the outcome of the Euclid election. The results weren't publicized until after the election and were conducted mainly for the candidate's benefit.

Art

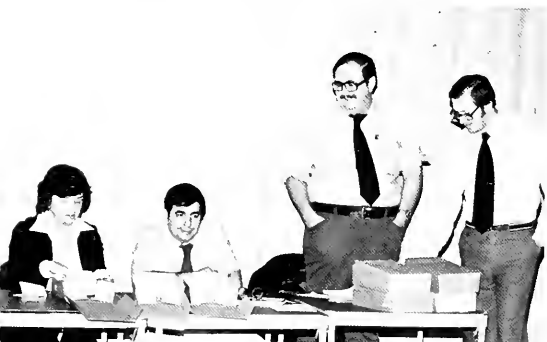

The Art Department introduces students to various art techniques such as weaving, tie dying, and sketching. The showcases near room 199 are filled with examples of Euclid's outstanding artists. The department chairman is Mr. Fred Vollman, who is also head of Industrial Education.

English

The school's largest department, English, saw several major changes this year. When Mr. McGuinness, last year's department chairman, was made Sophomore Unit Principal, Mr. Antonini assumed the English Department chairmanship. Two new teachers were also added to the department: Robert Kubea, who formerly taught at the elementary level, and Barbara Ramlow, who substituted at EHS last year.

This year also marked the introduction of three new courses. Senior Composition and Journalism were added to emphasize writing skills. In addition, a special AP writing lab, meeting three times a week, was taught to give senior honor students extra practice in writing techniques needed for the English Advanced Placement Test.

Mrs. McLaughlin, Mr. Mularo, Mr. McGuinness, and Mr. Antonini enjoy a moment's rest during the October registration for phase elective English courses.

Home Arts

To compensate for the two teachers who no longer teach here, the Home Economics Department supplemented itself with two new instructors. Miss Edna Noble, who has just completed college, is starting a hopefully long career as a teacher at EHS. Another new member of the Home Ec. staff is Mrs. Jan Carlson, who previously taught at Central Junior High.

Special Education

The teachers in the Special Education Department are really dedicated to the instruction of special students. These students have difficulty keeping pace with others their own age. This program, which includes the EMR program, gives the students the extra attention they need. One of the Department's main goals is the preparing of the student for a future role in society.

passed the book!**

With the coming of the Money Service card, wise savers made the passbook a past book. And why not! The Broadview Money Service Statement Savings Account pays more interest... plus a whole lot more.

More convenience...you can use it to get cash or make deposits at every Broadview office and every Pick-n-Pay supermarket at least 64 hours a week. Plus more services...free travelers checks, money orders, direct deposit of government checks, plus a whole lot more!

volume of information about how the earth looks. The information comes in the form of billions of electronic signals. Then a TRW system translates and enhances them—turns them into superb color photos, parked

To a commercial fisherman, those photos can be worth their weight in gold—or fish.

They can save a whole fleet from wasting a lot of time looking in the wrong places for their catch. And that means more fish to show for those long days at sea.

We finally did it! We finished 272 pages, not always on time, but we got them done. Thanks to the staff, Mr. Petrovic, and Mr. Dickinson, the *1980 Euclidian* is a reality. *Carol* - I could always count on you to take good pictures and develop them in time for a deadline - 100 pictures aren't that many the night before the pages are due. *Kathy* - you did a great job with your section. Hopefully you will never have to schedule another picture or think of another headline again. *Sue* - Are you still standing on tables and singing? I hope you have gotten over that since your section has been finished; you did a great job. *Judy* - The weather is pretty nice, don't you think? Your section is really good; maybe next year you will get your pages done the afternoon of the deadline. Remember the fun we had at workshop - I hope she didn't put a hole in the wall. *Scott* - Is it true that you are easy? There isn't too much I can say, but you did a good job even though I might not have seemed to appreciate you too much. If you find some time maybe you could develop those pictures we needed five months ago. *Linda and Brian* - Both of you did a really good job. I never saw you much, but your pages always got done. *Ann* - Have you been to any Board of Education meetings lately? You did a super job with your section and thanks for all the help with other sections the night of the deadline. *Everyone* - the bus leaves at 3:00 for Hawthornden. *Mr. Dickinson* - thank you for all the help and support you gave everyone. *Mr. Petrovic* - thanks for all the help - we couldn't have done it without you. I hope Tom - Tom wasn't insulted by what was done to his picture.
